- ⊕ Service-Disabled Veteran-Owned Small Business
- ⊕ CAGE Code: 48RP9
- ⊕ Formed 2005

Navigate the digital divide.™

We help our customers manage and share information across organizational boundaries.

★ Share information across the digital divide:

- ⊕ Field User to Field User (F2F)
- ⊕ Field User to the Enterprise (F2E)
- ⊕ Enterprise to the Field User (E2F)
- ⊕ Enterprise to Enterprise (E2E)
- ⊕ Field sites with limited IT infrastructure
- ⊕ Enterprise sites with robust IT infrastructure
- ⊕ Culturally appropriate solutions tailored to the available infrastructure

★ Converge operations, intelligence, logistics, and medical information:

- ⊕ Rich media (video, audio animation, virtual reality)
- ⊕ Geospatial (maps, imagery, terrain)
- ⊕ Engineering and manufacturing (2D/3D CAD, modeling)
- ⊕ Text, graphics, spreadsheets, forms
- ⊕ Online or offline capabilities for maximum reach across the enterprise
